Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule E supporting Line 24 of your report discloses an independent expenditure(s) on behalf of "FREDERICK C BOUCHER", "NICK JOE RAHALL, II" and "JOHN REEVES RAESE", which appears to have been publicly disseminated or distributed after the general election date. Please be advised that if a communication is aired in one reporting period and the payment is made in a later reporting period, the independent expenditure should be reported as a memo entry on Schedule E when the communication is publicly disseminated or distributed, and on a Schedule D if it is a reportable debt under 11 CFR 104.11. When the payment for the independent expenditure is made, the report should show a payment on Schedule E and the same payment on Schedule D, if applicable.

Please amend your report to provide further clarifying information regarding the independent expenditure(s) disclosed after the general election date.

2. It has come to the attention of the Federal Election Commission that the reports you have filed during the current election cycle do not reflect the appropriate coverage dates for quarterly filing status. Please be advised of the filing dates and coverage periods for the 2010 election year (see attached) and fill in the appropriate coverage dates on Line 5 of the Summary Page.
